Notes and Contact Info

All prices in this guide are approximate and are provided for guidance only; they should not be construed as forming any part of a contract between Giclee UK Ltd and its clients. Jobs are priced individually and the costs to the client can be confirmed in writing on request.

Only a representative sample of print sizes is shown; maxima are 320mm x 450mm (Digital Press); 117.6mm x 10M (Giclée) and 1.6M x 20M + (XL Display).

Digital Press prices require print-ready artwork prepared to meet the specifications on our website. Additional charges will apply for scanning, format conversion, colour correction and page layout.

Giclée Print prices are for prints from image files which have already been proofed; proofing is included in our digitisation prices but proofing charges will apply for client-supplied files.
